***Excellence is a continuous process and not an accident -***

***Dr. A. P. J. Abdul Kalam***

PSG College of Nursing has accomplished Silver Jubilee in 2019. To fulfill the vision of PSG, the management had been taking proactive measures to augment the efficiency of nursing students and our novice nurses. The College of Nursing takes the pride to ignite the spirit of aptitude of nurses towards enhancing their competencies in Nursing.

Nurses are the primary providers of health care to all communities in all settings. As **2020 is the International Year of the Nurse and Midwife**, it is time to harmonize work of nurses to enhance efficiencies. We need to recognize that responsive, inclusive, participatory and representative decision making at all levels.

It is the need of the hour to recalibrate and amplify our efforts on health related targets. Hence, let's enhance our joint accountability for delivering collective results for people. The empirical evidence indicates that a high level of clinical competence in nurses has a positive effect on their performance in health care settings.

Thus, by this Conference, Nursing leaders can help the young nurses to make a difference to expand the workforce, strengthen education and training clinical leadership develop a modern career framework, improve working lives, enhance quality, modernize professional self regulation, encourage and support new roles & new ways of working.

**Target Population:** PG Nursing Students, Nurses, Nurse Educators, Nurse Administrators of Hospitals, Schools and Colleges of Nursing.

The Management, Principal and Faculty of PSG College of Nursing recognize the responsibility to empower the nursing fraternity with the zeal of improving their clinical competence and welcomes you for the **National Conference on "Connecting the Dots with Clinical Competence across Nursing (Contemplate, Construct, Coordinate & Contribute)"** on 23<sup>rd</sup> January 2020.
