Dear Colleagues...

Greetings from PSG College of Nursing!

Artificial intelligence is an emerging field strives to prove its vital role in speedy diagnosis ,better treatment options and appreciable quality care in general health care services .

Global mental health is a pressing issue that demands attention and action. With the increasing prevalence of mental disorders worldwide, it is crucial to address this challenge collectively.

AI has stepped into the field of mental health care and also in achieving early identification and effective digital strategies to improve quality of life of psychiatric patients and their family members.

Aim:

The conference is intended to enlighten and enrich the concealed knowledge regarding artificial intelligence in mental health to the nursing fraternity.

Objectives:

- To extend the role of AI in global mental health.
- To utilize AI in vulnerable population care.

Target group

Health Care Professionals, Nurses, Nurse Educators, Teaching Faculty, UG, PG & PhD Nursing Scholars.

Conference Registration

Registration fee: Rs.200/-

Registration fee includes conference kit, tea & snacks. Lunch will be provided based on prior intimation at cost of Rs 250/- perhead.
